### MOTORCYCLE RACES.

Well Known Riders to Appear at the Fairgrounds on Memorial Day.

G. V. Pendieton returned last night from a trip through Connecticut and Massachusetts looking up riders for the Motorcycle meet to be held at the Fairgrounds on Decoration day. The riders will include Herbert F. Burdleck, better known as "Wild Bill," of Norwich, who is always a big favorite with the local people, and who always mannges to hold his end up with the speed boys from other cities. James Palazzo of Bridgeport, who has appeared here for the last three or four years on his Harley, and always makes a good showing, will again be on hand, and he states that this time he will go home with more than one first prize. "Teddy" Carroll, of Springfield, well known by local motor cycle followers told Mr. Pendleton on Thursday that he would positively come down here and race on Decoration day, and that he was also trying to influence Charles Verrill. known throughout the motorcycle racing world as "Crazy Horse55 Verrill. Verrill is considered by far the most daring and spectacular rider that rides a motorcycle on a half mile track. He is at present employed in the Springfield factory and the Connecticut Amusement association will make every effort to have him here as an added attraction. Noble R. Stevens of Boston, also well known to motorcycle followers will also be on hand which he guarantees as "some speed." This is a freak machine and parts of several makes of motorcycles are used in its constituction. He has named it the "M M" "Red" Potter of Springfield who was here on Fourth of July will also enter for the meet. No small amount of enthusiasm has been caused by the combination Vitagraph has created in playing Lucille Lee Stewart and Huntley Gordon opposite one another in feature pictures. There are, perhaps, no two players on the screen today who play better than do these, who have won their way into the hearts of a many motion picto the hearts of so many motion pic-ture lovers. His Wife's Good Name, the Blue Ribbon feature which will be seen at the Breed theatre on Mon-day and Tuesday, gives both of these day and Tuesday, gives both of these players manifold opportunities to demonstrate their ability, which they do not fail to use. They work together wonderfully well and one is sure to remark upon the attractive combinations where the film. tion throughout the film.
